

Why Websites are needed!

Church goers are older but are still the biggest body of opinion in the UK. We now need to engage younger people who are on the web.

Church is more relevant than political parties

7.6 Million

Go to Church every Month!

Almost 60% of the UK population believe in God. 25% have no religion and then there are various other religions

Don't let people tell you that Christianity is irrelevant - it's just NOT TRUE!
People are interested

London Church Growth

It is possible to grow church membership - bring people to know God

Ages of people going to Church

Most people going to church are over 65

Websites can help to reach younger people

- People search online to find out about God
- People search online to find local churches
- Young people look online FIRST!

70 people a week

52 weeks
